Committee: House Committee On Rules

Measure, Appointment or Topic: HB3402

I strongly oppose these fees and taxes taken from HB2025. We are overly taxed and constantly given new fees. I currently work 7 days a week and all these fees apply to me as I drive to work. I've already cut my hours back for many reasons. We can not afford these taxes and fees you keep implementing on we the people. Please stop as many have left our state and cities. Loretta
