NO MORE TAXES. I've lived here my entire 65 years and can't afford another dime of taxes. It doesn't matter if it's \$11 billion or \$11. We're tapped out here. Property taxes, gas taxes, Metro, etc., etc. WE CAN'T AFFORD ANY MORE! Try looking out for your citizens. There are other ways to fund our state. One is stop spending on things that citizens see no return on. Set your ideology aside and do the right thing. Kill this mega tax monstrosity and start over!
