

Submitter: Alexander Case

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3402

House Bill 3402, while funding ODOT, would not fund County and City-level transportation agencies, who would handle repairs and upkeep to the roads and streets that get emergency vehicles to constituents' homes, and are the start of their evacuation routes in the event of wildfires and other catastrophes. We need proper funding for local transportation agencies to make sure our streets are navigable for emergency vehicles and residents.
