HB3402

Dear legislatures Reps,

Full stop on a replacement on HB2025.

Your tax paying citizens are telling you we are at our braking point. The Democratic policies have created this mess.

Watching Gov. Kotek try to bulk you is absolutely disgusting. You represent us, you stand up

For us, or Oregon will die. We already lost 132,000! Families and many businesses.

Please, for Oregon Vote NO!!
