Committee:

House Committee On Rules

Measure, Appointment or Topic:

HB3402

I oppose HB3402 on the following basies:

1. that it goes not specify what projects the funds would be directed to. The money should NOT go into their general funds.
2. The fees increases on title and registration are too great.
3. Oregon already has one of the highest gas taxes in the country. The gas tax should not be raised.
