Measure, Appointment or Topic: HB3402

Regarding HB 3402,

I am urging you to reject this bill with the amendments to increase taxes and fees. Oregonians do not want to pay more! Please figure out how to live within a reasonable budget and also submit your spendings/plans to the public for our scrutiny as it's our money you are spending. I am strongly opposed to spending tax money on a new baseball stadium or any other one for that matter. If it can support itself then let it happen with private monies. And please fix our roads. I feel like I am driving in a 3rd world country. Other states manage with lower taxes and do well. Let Oregon do the same.

Thank you.

And while I have your attention, please stop spraying the skies. I am not a conspiracy theorist, just an observer.
