House Committee On Rules

Measure, Appointment or Topic:

HB3402

I strongly oppose any new tax as our Government has proven they lack accountability in spending. Studying speed bumps and sneaking in amendments is another slap in the face to our citizens. I highly encourage ODOT to audit their spending, quit spending on homeless issues, and hold the Govenor accountable to her self created problem of homeless socialism programs. Oregon needs to be turned around. Our state is going down the toilet fast.
