Committee: House Committee On Rules

Measure, Appointment or Topic: HB3402

All this bill will do is push middle class families, businesses and entrepreneurs out of the state. Over 20 tax hikes for 1 public sector...1. Yet, this legislature is risking food on our table. Careers for your citizens to work at. The dreams of those that are trying to bring tomorrow. All for ODOT to fail another audit, project and budget. Same as HB 2025
