HB3402

Once again I am writing in opposition of the replacement bill 3402. You guys just don't get it, we are being taxed to death, and we voiced our opinions. This is a bandaid, and not a good one.

ODOT getting a free pass at the money raised is like putting a fox in the henhouse! There is NO accountability!

We are serious about looking at moving from this state due to the fact that you think everything is fixed by taxing your citizens to death.

What a travesty!!!
