Legislators,

It is important to the people of Oregon that you vote no one these increases. Families are struggling to make ends meet, young and old alike. We aren't seeing a change in the housing market, the grocery stores, gas, utilities and we're definitely not getting pay raises. More money is going out than coming in. Stop the increase now. Don't be bullied into doing something you know the people don't want. Stand firm for all Oregonians.
