HB3402

Stop trying to raise our taxes! Your constituents rejected HB2025, take the hint! We cannot afford to keep throwing money at problems that never get fixed, and electing incompetent politicians that promise change but continue to deliver more of the same BS...and surprise surprise, YOU ALWAYS WANT MORE. Independent audits and a leadership change for Oregon are both badly needed. I oppose HB3402 and any other bill that tries to bleed our residents dry! Stop begging for more of our hard earned cash, and start working with the already bloated budget you already have. Make it work.
