HB3402

I oppose House Bill 3402. This bill is no different than HB 2025, how dare you try to sneak another tax burden onto the Oregon citizen at the last minute. This bill would still be a burden on normal Oregon families who have nothing left to give. The state of Oregon needs to figure out how to balance its budget, cut frivolous spending and earn trust back before taking more taxpayer dollars.

Also, if you want to spend more taxpayer money, you MUST, tell us what you are spending it on and how the project is going to get completed on time.

Do not pass this bill.
