Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I vehemently oppose this bill and want the voting by mail to continue. Callous republican ghouls want to remove a safe and effective way to vote for false reasons of mail fraud. When really, it's because more Democratic-registered voters tend to vote by mail.

This is a waste of the public's time and a transparent effort to complicate a system that already functions well. We have real problems to fix - how about we focus on those.
