Funding
Measure, Appointment or Topic: HB3991

We all have budgets we need to stick to. When using tax payers money, every penny needs to be accounted for and be used responsibly. We cannot keep throwing money at a bottomless pit. Require ODOT to be fiscally responsible with taxpayer money and put the money towards keeping our current roads in good condition and projects that are attainable with the money already allocated. No new taxes!! Taxpayers cannot afford the quadruple taxes we already have. Do not add any more!
