You are destroying this state with your disordered dictates. Driving out the natives and economically enslaving those who remain. No new taxes. No more additional funds for a treacherous and incompetent administration. By weakening the people and economy repeatedly, you are providing material aid and comfort to our nation's enemies (foreign and domestic). I strongly suggest you cease and desist from your tyrannical behavior, or when team Trump gets here, you'll undoubtedly eventually meet the justice which is a corrective to abusive tyranny.
