Government is for the people. It should not over burden people with excess taxes. Taxpayers have to live within our budget, Government should too. The voters entrusted the leaders to manage the budget. ODOT has mismanaged their budget and it should not fall on the shoulders of the taxpayers to pour more money into a mismanaged system. They need to transfer funds from unnecessary expenditures to more important ones. As a senior citizen, I have to manage my income carefully. We expect as much from our government officials. NO NEW TAXES. Please.
