Trump's tariffs aren't what's hurting Oregonians it's the reckless tax-and-spend policies of Oregon Democrat legislators and Governor Kotek. While they point fingers at Washington, D.C., they're the ones raising your gas taxes, piling on payroll costs, and ignoring real solutions to fix our roads and balance the budget. The pain Oregonians feel is homegrown brought to you by failed leadership in Salem.

1. It's not Trump's tariffs hurting Oregonians. It's Kotek and the Democrats raising your taxes.
2. The real pain at the pump isn't tariffs it's Salem Democrats.
3. Trump didn't raise Oregon's gas tax. Kotek did.
4. Oregon Democrats keep taxing families, then blame D.C. for their failures.
5. Don't be fooled what's hurting Oregonians is bad leadership in Salem, not Trump's tariffs.

STOP THE blame games and finger-pointing IT'S SALEM DEMOCRATS AND GOVERNOR KOTEK. It's all the business restrictions, taxes, and your special non-profit interest groups, etc. Oregonians are not stupid! We need to have legislation to start the impeachment process against Kotek and the democrats for violating our constitutional rights. The constant gaslighting and lying to the Oregonians. SALEM you put us in this position from your reckless spending now you want to gouge us! You're disgusting to our democracy!
