

Submitter: Kathleen Boylan

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: HB2949

Please support and pass HB 2949. It is an important companion bill to HB 3450 outlining a state process to research and assess what financial assurances will be required of owners and operators of bulk oils and fuel terminals. This study will provide necessary information for transition to safer energy storage.

Thank you
Kathleen Boylan
