Public Hearing and Possible Work Session

HB 4060

Exempts sales to purchasers with facilities totaling more than one million square feet from a prohibition on sales of certain fluorescent lamps until January 1, 2030.

HB 4077

Authorizes a public utility, upon approval by the Public Utility Commission, to issue bonds and securitize debt for costs and expenses incurred or to be incurred by the public utility associated with a self-insurance or captive insurance program.

HB 4076 A

Requires the Energy Facility Siting Council to find that reasons justify why the state policy in applicable statewide planning goals should not apply to a proposed energy facility if the council finds that the proposed energy facility will deliver electricity to the electric grid using an existing energy facility's surplus interconnection and does not require associated transmission lines more than two miles from the existing energy facility.

Possible Work Session

HB 4102

Modifies the authority of the Department of Environmental Quality to enter into agreements with regulated entities to expedite or enhance a regulatory process.

Public Hearing

Youth Voices

This public hearing is an opportunity for students (kindergarten - 12th grade) to tell the committee about an energy or environment issue.
