**Source:** Oregon Department of Transportation, U.S. Energy Information Administration, Ramboll calculation using OPIS methodology and AAA data. This is not a forecast of future gas pricing.

**Disclaimer:** This infographic is based on average historical gas prices and is not a forecast of future gas pricing. The basic rules of supply and demand have an impact on the price of gasoline. Additionally, local taxes and fees also account for the cost of gasoline to consumers. This figure assumes all businesses pass on the entire cap and invest costs
