### SUMMARY

Digest: The Act would repeal the law that set a state standard for city and county laws that govern the use of public property by the homeless. (Flesch Readability Score: 63.3).

Repeals the statute enacted by House Bill 3115 (2021) that established objective reasonableness as a statewide standard, for city and county laws regulating the use of public property with respect to persons experiencing homelessness, as the basis for a cause of action for injunctive and declaratory relief to challenge such laws and as an affirmative defense in the prosecution of violations of such laws.

Declares an emergency, effective on passage.
