**Bill Title:** Relating to school meals; prescribing an effective date.

**Government Unit(s) Affected:** School Districts, Department of Education

**Summary of Fiscal Impact:**

This fiscal impact statement is for the purpose of transmitting the measure from the Senate Committee on Education to the Joint Committee on Ways and Means.

The measure is being referred to the Joint Committee on Ways and Means because it is anticipated to have a fiscal impact on the Department of Education (ODE) and school districts. ODE may need additional General Fund to hire additional permanent, full-time staff, as well as additional funding for the Hunger Free Schools Grant, which is funded by Other Funds from the Statewide Education Initiatives Account within the Fund for Student Success. The measure would also impact the reimbursement rates ODE pays to school districts.

A more complete fiscal analysis on the measure will be prepared as the measure is considered in the next committee.
