**Measure Description:**

Increases the biennial lottery proceeds distribution to the Outdoor School Education Fund. Takes effect on passage.

**Revenue Impact:** There is no change in the total lottery proceeds available for distribution.

**Impact Explanation:**

This bill does not change the total lottery proceeds available for meeting debt obligations, constitutional distributions, statutory distributions, and discretionary allocations by the legislature. It increases the biennial lottery revenue distribution to the Outdoor School Education Fund. With the increase of the statutory distribution to the fund, the legislature will have less lottery proceeds for its discretionary allocations.
