

**REVENUE IMPACT OF
PROPOSED LEGISLATION**
83rd Oregon Legislative Assembly
2026 Regular Session
Legislative Revenue Office

Bill Number:	HB 4075 - A
Revenue Area:	Hospital Finance and Common School Fund
Economist:	Michael Doughty
Date:	02/25/2026

*Only Impacts on Original or Engrossed
Versions are Considered Official*

The revenue impact of this measure is indeterminate for the following reasons:

Several key variables cannot be reliably estimated at this time. Because initial qualifying loan amounts, loan durations, and contractual language surrounding guarantees are currently unknown, it is not possible to estimate interest revenue or the risks of defaults. Consequently, it is not possible to estimate the guarantee from the Unclaimed Property and Estates Fund, resulting in changes in the Common School Fund distributions to be indeterminate.
