43 containing uniform information as determined by the Interstate Commission. Upon receipt of the
44 unofficial education records by a school in the receiving state, the school shall enroll and appro-
45 priately place the student based on the information provided in the unofficial records pending vali-

1 dation by the official records, as quickly as possible.

2 B. Official education records and transcripts. Simultaneous with the enrollment and conditional
3 placement of the student, the school in the receiving state shall request the student's official edu-

6 state within 10 days or within such time as is reasonably determined under the rules promulgated
7 by the Interstate Commission.

8 C. Immunizations. Compacting states shall give 30 days from the date of enrollment, or within

21
22 **ARTICLE V**
23 **PLACEMENT AND ATTENDANCE**
24

25 A. Course placement. When the student transfers before or during the school year, the receiving
26 state school shall initially honor placement of the student in educational courses based on the
27 student's enrollment in the sending state school or educational assessments conducted at the school
28 in the sending state if the courses are offered. Course placement includes but is not limited to
29 honors, International Baccalaureate, advanced placement, vocational, technical and career pathways
30 courses. Continuing the student's academic program from the previous school and promoting place-
31 ment in academically and career challenging courses should be paramount when considering place-
32 ment. This does not preclude the school in the receiving state from performing subsequent
33 evaluations to ensure appropriate placement and continued enrollment of the student in a course.

34 B. Educational program placement. The receiving state school shall initially honor placement
35 of the student in educational programs based on current educational assessments conducted at the
36 school in the sending state or based on participation or placement in like programs in the sending
37 state. Such programs include, but are not limited to, talented and gifted programs and English as a
38 second language programs. This does not preclude the school in the receiving state from performing
39 subsequent evaluations to ensure appropriate placement of the student.

40 C. Special education services.

41 1. In compliance with the federal requirements of the Individuals with Disabilities Education
42 Act, 20 U.S.C. 1400 et seq., the receiving state shall initially provide comparable services to a stu-
43 dent with disabilities based on the student's current individualized education program. This does not
44 preclude the school in the receiving state from performing subsequent evaluations to ensure appro-
45 priate placement of the student.

1 2. In compliance with the requirements of section 504 of the Rehabilitation Act, 29 U.S.C. 794,
2 and with Title II of the Americans with Disabilities Act, 42 U.S.C. 12131-12165, the receiving state
3 shall make reasonable accommodations and modifications to address the needs of incoming students
4 with disabilities, subject to an existing section 504 or Title II plan, to provide the student with equal
5 access to education. This does not preclude the school in the receiving state from performing sub-
6 sequent evaluations to ensure appropriate placement of the student.

7 D. Placement flexibility. Local education agency administrative officials shall have flexibility in
8 waiving course or program prerequisites, or other preconditions for placement in courses or pro-
9 grams offered under the jurisdiction of the local education agency.

10 E. Absence as related to deployment activities. A student whose parent or legal guardian is an
11 active duty member of the uniformed services, as defined by this compact, and has been called to
12 duty for, is on leave from, or immediately returned from deployment to a combat zone or combat
13 support posting, shall be granted additional excused absences at the discretion of the local education
14 agency superintendent to visit with the student's parent or legal guardian relative to such leave or
15 deployment of the parent or guardian.

ARTICLE VI

ELIGIBILITY

A. Eligibility for enrollment.

21 1. Special power of attorney, relative to the guardianship of a child of a military family and
22 executed under applicable law, shall be sufficient for the purposes of enrollment and all other
23 actions requiring parental participation and consent.

24 2. A local education agency shall be prohibited from charging local tuition to a transitioning
25 military child placed in the care of a noncustodial parent or other person standing in loco parentis
26 who lives in a jurisdiction other than that of the custodial parent.

27 3. A transitioning military child, placed in the care of a noncustodial parent or other person
28 standing in loco parentis who lives in a jurisdiction other than that of the custodial parent, may
29 continue to attend the school in which the child was enrolled while residing with the custodial
30 parent.

31 B. Eligibility for extracurricular participation. State and local education agencies shall facilitate
32 the opportunity for transitioning military children's inclusion in extracurricular activities, regard-
33 less of application deadlines, to the extent they are otherwise qualified.

ARTICLE VII GRADUATION

39 In order to facilitate the on-time graduation of children of military families, states and local educa-
40 tion agencies shall incorporate the following procedures:

41 A. Waiver requirements. Local education agency administrative officials shall waive specific
42 courses required for graduation if similar course work has been satisfactorily completed in another
43 local education agency or shall provide reasonable justification for denial. Should a waiver not be
44 granted to a student who would qualify to graduate from the sending school, the local education
45 agency shall provide an alternative means of acquiring required coursework so that graduation may

1 occur on time.

2 B. Exit exams. States shall accept exit or end-of-course exams required for graduation from the
3 sending state, national norm-referenced achievement tests or alternative testing that is given in lieu
4 of testing requirements for graduation in the receiving state. In the event the above alternatives
5 cannot be accommodated by the receiving state for a student transferring in the student's senior
6 year, then the provisions of Section C of this Article shall apply.

7 C. Transfers during senior year. Should a military student transferring at the beginning or dur-
8 ing the student's senior year be ineligible to graduate from the receiving local education agency
9 after all alternatives have been considered, the sending and receiving local education agencies shall
10 ensure the receipt of a diploma from the sending local education agency, if the student meets the
11 graduation requirements of the sending local education agency. In the event that one of the states
12 in question is not a member of this compact, the member state shall use best efforts to facilitate the
13 on-time graduation of the student in accordance with Sections A and B of this Article.

ARTICLE VIII

STATE COORDINATION

18 A. Each member state shall, through the creation of a State Council or use of an existing body
19 or board, provide for the coordination among its agencies of government, local education agencies
20 and military installations concerning the state's participation in, and compliance with, this compact
21 and Interstate Commission activities. While each member state may determine the membership of its
22 own State Council, its membership may include at least: the state superintendent of education, a
23 superintendent of a school district with a high concentration of military children, a representative
24 from a military installation, one representative each from the legislative and executive branches of
25 government, and other offices and stakeholder groups the State Council deems appropriate. A
26 member state that does not have a school district deemed to contain a high concentration of military
27 children may appoint a superintendent from another school district to represent local education
28 agencies on the State Council.

29 B. The Governor of each member state shall appoint or designate a military family education
30 liaison to assist military families and the state in facilitating the implementation of this compact.
31 The individual appointed to this position must be a member of the uniformed service. The Depart-
32 ment of Education of the State of Oregon shall assist the military family education liaison in the
33 performance of the duties of the position.

34 C. The compact commissioner responsible for the administration and management of the state's
35 participation in the compact shall be appointed by the Governor or as otherwise determined by each
36 member state. The individual appointed to this position must have experience in the education of
37 military children.

38 D. The compact commissioner and the military family education liaison designated herein shall
39 be ex officio members of the State Council.

ARTICLE IX

5 powers and duties set forth herein, and such additional powers as may be conferred upon
6 it by a subsequent concurrent action of the respective legislatures of the member states in accordance
7 with the terms of this compact.

8 B. Consist of one Interstate Commission voting representative from each member state who shall
9 be that state's compact commissioner.

10 1. Each member state represented at a meeting of the Interstate Commission is entitled to one
11 vote.

12 2. A majority of the total member states shall constitute a quorum for the transaction of business,
13 unless a larger quorum is required by the bylaws of the Interstate Commission.

14 3. A representative may not delegate a vote to another member state. In the event the compact
15 commissioner is unable to attend a meeting of the Interstate Commission, the Governor or State
16 Council may delegate voting authority to another person from their state for a specified meeting.

17 4. The bylaws may provide for meetings of the Interstate Commission to be conducted by tele-
18 communication or electronic communication.

19 C. Consist of ex officio, nonvoting representatives who are members of interested organizations.
20 Such ex officio members, as defined in the bylaws, may include but not be limited to members of the

28 Commission and such other members of the Interstate Commission as determined by the bylaws.
29 Members of the executive committee shall serve a one-year term. Members of the executive committee
30 shall be entitled to one vote each. The executive committee shall have the power to act on behalf of the Interstate Commission, with the exception of rule making, during periods when the Interstate Commission is not in session. The executive committee shall oversee the day-to-day activities of the administration of this compact, including enforcement and compliance with the provisions of this compact, its bylaws and rules, and other such duties as deemed necessary. The Department of Defense shall serve as an ex officio, nonvoting member of the executive committee.

31 F. Establish bylaws and rules that provide for conditions and procedures under which the Interstate Commission shall make its information and official records available to the public for inspection or copying. The Interstate Commission may exempt from disclosure information or official records to the extent they would adversely affect personal privacy rights or proprietary interests.

32 G. Give public notice of all meetings and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in this compact. The Interstate Commission and its committees may close a meeting, or portion thereof, when it determines by a two-thirds vote that an open meeting would be likely to:

- 33 1. Relate solely to the Interstate Commission's internal personnel practices and procedures;

13 taken, and the reasons therefore, including a description of the views expressed and the record of
14 a roll call vote. All documents considered in connection with an action shall be identified in such
15 minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release

5 7. Providing start-up rules for initial administration of this compact.

6 B. The Interstate Commission shall, by a majority of the members, elect annually from among
7 its members a chairperson, a vice chairperson and a treasurer, each of whom shall have such au-

10 The officers so elected shall serve without compensation or remuneration from the Interstate Com-

12 for ordinary and necessary costs and expenses incurred by them in the performance of their re-
13 sponsibilities as officers of the Interstate Commission.

38 1. The liability of the Interstate Commission's executive director and employees or Interstate

40 errors or omissions occurring within such person's state may not exceed the limits of liability set

ARTICLE XII

RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION

23 A. Rulemaking authority. The Interstate Commission shall promulgate reasonable rules in order
24 to effectively and efficiently achieve the purposes of this compact. Notwithstanding the foregoing,
25 in the event the Interstate Commission exercises its rulemaking authority in a manner that is be-
26 yond the scope of the purposes of this compact, or the powers granted hereunder, then such an
27 action by the Interstate Commission shall be invalid and have no force or effect.

28 B. Rulemaking procedure. Rules shall be made pursuant to a rulemaking process that substan-
29 tially conforms to the "Model State Administrative Procedure Act," of 1981, Uniform Laws Anno-
30 tated, Vol. 15, p. I (2000), as amended, as may be appropriate to the operations of the Interstate
31 Commission.

32 C. Not later than 30 days after a rule is promulgated, any person may file a petition for judicial
33 review of the rule provided that the filing of such a petition shall not stay or otherwise prevent the
34 rule from becoming effective unless the court finds that the petitioner has a substantial likelihood
35 of success. The court shall give deference to the actions of the Interstate Commission consistent
36 with applicable law and shall not find the rule to be unlawful if the rule represents a reasonable
37 exercise of the Interstate Commission's authority.

38 D. If a majority of the legislatures of the compacting states rejects a rule by enactment of a
39 statute or resolution in the same manner used to adopt this compact, then such rule shall have no
40 further force and effect in any compacting state.

ARTICLE XIII OVERSIGHT, ENFORCEMENT AND DISPUTE RESOLUTION

1 A. Oversight.

2 1. The executive, legislative and judicial branches of state government in each member state
3 shall enforce this compact and shall take all actions necessary and appropriate to effectuate this
4 compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder
5 shall have standing as statutory law.

6 2. All courts shall take judicial notice of this compact and the rules in any judicial or adminis-
7 trative proceeding in a member state pertaining to the subject matter of this compact that may af-
8 fect the powers, responsibilities or actions of the Interstate Commission.

9 3. The Interstate Commission shall be entitled to receive all service of process in any such
10 proceeding, and shall have standing to intervene in the proceeding for all purposes. Failure to pro-
11 vide service of process to the Interstate Commission shall render a judgment or order void as to the
12 Interstate Commission, this compact or promulgated rules.

13 B. Default, technical assistance, suspension and termination.

14 1. If the Interstate Commission determines that a member state has defaulted in the performance
15 of its obligations or responsibilities under this compact, or the bylaws or promulgated rules, the
16 Interstate Commission shall provide written notice to the defaulting state and other member states
17 of the nature of the default, the means of curing the default and any action taken by the Interstate
18 Commission. The Interstate Commission shall specify the conditions by which the defaulting state
19 must cure its default.

20 2. If a member state has defaulted, the Interstate Commission shall provide remedial training
21 and specific technical assistance regarding the default.

22 3. If the defaulting state fails to cure the default, the defaulting state shall be terminated from
23 this compact upon an affirmative vote of a majority of the member states and all rights, privileges
24 and benefits conferred by this compact shall be terminated from the effective date of termination.
25 A cure of the default does not relieve the offending state of obligations or liabilities incurred during
26 the period of the default.

27 4. Suspension or termination of membership in this compact shall be imposed only after all other
28 means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall
29 be given by the Interstate Commission to the Governor, the majority and minority leaders of the
30 defaulting state's legislature and each of the member states.

31 5. The state that has been suspended or terminated is responsible for all assessments, obligations
32 and liabilities incurred through the effective date of suspension or termination including obligations,
33 the performance of which extends beyond the effective date of suspension or termination.

34 6. The Interstate Commission shall not bear any costs relating to any state that has been found
35 to be in default or that has been suspended or terminated from this compact, unless otherwise mu-
36 tually agreed upon in writing between the Interstate Commission and the defaulting state.

37 7. The defaulting state may appeal the action of the Interstate Commission by petitioning the
38 United States District Court for the District of Columbia or the federal district where the Interstate
39 Commission has its principal offices. The prevailing party shall be awarded all costs of such litiga-
40 tion including reasonable attorney fees.

41 C. Dispute resolution.

42 1. The Interstate Commission shall attempt, upon the request of a member state, to resolve dis-
43 putes that are subject to this compact and that may arise among member states and between mem-
44 ber and nonmember states.

45 2. The Interstate Commission shall promulgate a rule providing for both mediation and binding

1 dispute resolution for disputes as appropriate.

D. Enforcement.

3 1. The Interstate Commission, in the reasonable exercise of its discretion, shall enforce the
4 provisions and rules of this compact.

5 2. The Interstate Commission may, by majority vote of the members, initiate legal action in the
6 United States District Court for the District of Columbia or, at the discretion of the Interstate
7 Commission, in the federal district where the Interstate Commission has its principal offices, to en-
8 force compliance with the provisions of this compact, its promulgated rules and bylaws, against a
9 member state in default. The relief sought may include both injunctive relief and damages. In the
10 event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litiga-
11 tion, including reasonable attorney fees.

12 3. The remedies herein shall not be the exclusive remedies of the Interstate Commission. The
13 Interstate Commission may avail itself of any other remedies available under state law or the reg-
14 ulation of a profession.

ARTICLE XIV
FINANCING OF
THE INTERSTATE COMMISSION

20 A. The Interstate Commission shall pay, or provide for the payment of, the reasonable expenses
21 of its establishment, organization and ongoing activities.

22 B. The Interstate Commission may levy on and collect an annual assessment from each member
23 state to cover the cost of the operations and activities of the Interstate Commission and its staff,
24 which must be in a total amount sufficient to cover the Interstate Commission's annual budget as
25 approved each year. The aggregate annual assessment amount shall be allocated based upon a for-
26 mula to be determined by the Interstate Commission, which shall promulgate a rule binding upon
27 all member states.

28 C. The Interstate Commission shall not incur obligations of any kind prior to securing the funds
29 adequate to meet the same, nor shall the Interstate Commission pledge the credit of any of the
30 member states, except by and with the authority of the member state.

31 D. The Interstate Commission shall keep accurate accounts of all receipts and disbursements.
32 The receipts and disbursements of the Interstate Commission shall be subject to the audit and ac-
33 counting procedures established under its bylaws. However, all receipts and disbursements of funds
34 handled by the Interstate Commission shall be audited yearly by a certified or licensed public ac-
35 countant and the report of the audit shall be included in and become part of the annual report of
36 the Interstate Commission.

ARTICLE XV
MEMBER STATES, EFFECTIVE DATE
AND AMENDMENT

42 A. Any state is eligible to become a member state.

43 B. This compact shall become effective and binding upon legislative enactment of this compact
44 into law by no less than 10 of the states. The effective date may be no earlier than December 1,
45 2007. Thereafter it shall become effective and binding as to any other member state upon enactment

1 of this compact into law by that state. The governors of nonmember states or their designees shall
2 be invited to participate in the activities of the Interstate Commission on a nonvoting basis prior
3 to adoption of this compact by all states.

4 C. The Interstate Commission may propose amendments to this compact for enactment by the
5 member states. No amendment shall become effective and binding upon the Interstate Commission
6 and the member states unless and until it is enacted into law by unanimous consent of the member
7 states.

ARTICLE XVI

A. Withdrawal.

13 1. Once effective, this compact shall continue in force and remain binding upon each and every
14 member state provided that a member state may withdraw from this compact by specifically re-
15 pealing the statute that enacted this compact into law.

16 2. Withdrawal from this compact shall be by the enactment of a statute repealing the same, but
17 shall not take effect until one year after the effective date of such statute and until written notice
18 of the withdrawal has been given by the withdrawing state to the Governor of each other member
19 jurisdiction.

20 3. The withdrawing state shall immediately notify the chairperson of the Interstate Commission
21 in writing upon the introduction of legislation repealing this compact in the withdrawing state. The
22 Interstate Commission shall notify the other member states of the withdrawing state's intent to
23 withdraw within 60 days of its receipt thereof.

24 4. The withdrawing state is responsible for all assessments, obligations and liabilities incurred
25 through the effective date of withdrawal, including obligations, the performance of which extend
26 beyond the effective date of withdrawal.

27 5. Reinstatement following withdrawal of a member state shall occur upon the withdrawing state
28 reenacting this compact or upon such later date as determined by the Interstate Commission.

34 and surplus funds shall be distributed in accordance with the bylaws.

ARTICLE XVII

40 provision is deemed unenforceable, the remaining provisions of this compact shall be enforceable.
