12 fications under this section if the employment of the firm has been increased within the zone and  
13 at the site or sites from which the employees were transferred, no later than April 1 preceding the  
14 first tax year for which qualified property of the firm is exempt under ORS 285C.175, to not less than  
15 110 percent of the annual average employment of the firm within the zone and the site or sites from  
16 which the employees were transferred, calculated over the 12 months preceding the date of appli-  
17 cation for authorization.

18 [(6)] (7) For purposes of subsection (1)(f) of this section, the Oregon Business Development De-  
19 partment shall adopt rules that define the effect of noncompliance on an eligible business firm's  
20 continuing exemption in an enterprise zone and that indicate what is necessary to establish the  
21 noncompliance in terms of materiality of the relevant violation, the finality of applicable legal or  
22 regulatory proceedings and judgments involving the firm, the failure by the firm to perform or sub-  
23 mit to remedial or curative actions and similar factors.

24 [(7)] (8) As used in this section:

25 (a) "Annual average employment of the firm" means the average employment of the firm, cal-  
26 culated over the 12 months preceding the date of application for authorization.

27 (b) Except as provided in subsection [(5)] (6) of this section, "employment of the firm" means:

28 (A) The number of employees working for the firm a majority of their time in eligible operations  
29 at locations throughout the enterprise zone; or

30 (B) In the case of a firm described in ORS 285C.135 [(5)(b)] (4)(b), the number of employees  
31 working a majority of their time at the facility in the enterprise zone for which authorization was  
32 obtained.

33 **SECTION 11.** ORS 285C.140 is amended to read:

34 285C.140. (1)(a) Any eligible business firm seeking to have property exempt from property taxa-  
35 tion under ORS 285C.175 shall, before the commencement of direct site preparation activities or the  
36 construction, addition, modification or installation of qualified property in an enterprise zone, and  
37 before the hiring of eligible employees, apply for authorization under this section.

38 (b) The application shall be made on a form prescribed by the Department of Revenue and the  
39 Oregon Business Development Department.

40 (c) The application shall be filed with the sponsor of the zone. A sponsor may require that the  
41 application filed with the sponsor be accompanied by a filing fee. If required, the filing fee may not  
42 exceed the greater of \$200 or one-tenth of one percent of the value of the investment in qualified  
43 property that is proposed in the application for authorization. The filing fee may be required for the  
44 filing of applications only after the sponsor adopts a policy, consistent with Oregon Business De-  
45 velopment Department rules, authorizing the imposition of the filing fee.

1 (2) The application shall contain the following information:

2 (a) A description of the nature of the firm's current and proposed business operations inside the  
3 boundary of the enterprise zone;

4 (b) A description and estimated value of the qualified property to be constructed, added, modi-  
5 fied or installed inside the boundary of the enterprise zone;

6 (c) The number of employees of the firm that the firm employs within the enterprise zone, av-  
7 eraged over the previous 12 months, and an estimate of the number of employees that the firm will  
8 hire;

9 (d) A commitment to meet all requirements of ORS 285C.200 and 285C.215, and to verify com-  
10 pliance with these requirements;

11 (e) A commitment to satisfy all additional conditions for authorization that are imposed by the  
12 enterprise zone sponsor under ORS 285C.150, 285C.155 or 285C.205 or pursuant to an agreement  
13 entered into under ORS 285C.160, and to verify compliance with these additional conditions;

14 (f) A commitment to renew the application, consistent with ORS 285C.165, every two years while  
15 the zone exists if the firm has not filed a claim under ORS 285C.220 that is based on the application;  
16 and

17 (g) Any other information considered necessary by the Department of Revenue and the Oregon  
18 Business Development Department.

19 (3) After an application is submitted to a sponsor, the business firm may revise or amend the  
20 application. An amendment or revision may not be made on or after January 1 of the first assess-  
21 ment year for which the qualified property associated with the application is exempt under ORS  
22 285C.175.

23 (4) If an application for authorization appears to be complete and the proposed investment ap-  
24 pears to be eligible for authorization, the sponsor and the business firm shall conduct a preautho-  
25 rization conference. The assessor of the county in which the property will be located shall be timely  
26 notified and have the option to participate in the conference. The conference shall:

27 (a) Identify issues with the potential to affect compliance with relevant exemption requirements,  
28 including but not limited to enterprise zone boundary amendments;

29 (b) Arrange for methods and procedures to establish and verify compliance with applicable re-  
30 quirements; and

31 (c) Identify the person who is obligated to notify the county assessor if requirements are not  
32 satisfied.

33 (5) Upon completion of the preauthorization conference required under subsection (4) of this  
34 section, the sponsor shall prepare a written summary of the conference, attach the summary to the  
35 application and forward the application to the county assessor for review.

36 (6) Following the preauthorization conference under subsection (4) of this section, the sponsor  
37 and the county assessor shall authorize the business firm by approving the application, if the spon-  
38 sor and county assessor determine that:

39 (a) The current or proposed operations of the business firm in the enterprise zone result in the  
40 firm being eligible under ORS 285C.135; and

41 (b) The firm has made the commitments and provided the other information required under  
42 subsection (2) of this section.

43 (7) If the business firm seeking authorization is an eligible business firm described in ORS  
44 285C.135 [(5)(b)] **(4)(b)**, the sponsor must, as a condition of approving the application, make a formal  
45 finding that the business firm is an eligible business firm under ORS 285C.135 and that the size of

1 the proposed investment, the employment at the facility of the firm or the nature of the activities  
2 to be undertaken by the firm within the enterprise zone will significantly enhance the local econ-  
3 omy, promote the purposes for which the zone was created and increase employment within the  
4 zone.

5 (8) The approval of both the sponsor and the county assessor under this section shall be prima  
6 facie evidence that the qualified property of the business firm will receive the property tax ex-  
7 emption under ORS 285C.175. In approving the application, the sponsor and county assessor shall  
8 provide proof of approval as directed by the Oregon Business Development Department.

9 (9) If the sponsor or county assessor fails or refuses to authorize the business firm, the business  
10 firm may appeal to the Oregon Tax Court under ORS 305.404 to 305.560. The business firm shall  
11 provide copies of the firm's appeal to the sponsor, county assessor, the Department of Revenue and  
12 the Oregon Business Development Department.

13 (10) Authorization under this section does not ensure that property constructed, added, modified  
14 or installed by the authorized business firm will receive property tax exemption under ORS 285C.175.  
15 The sponsor and the county assessor are not liable in any way if the Department of Revenue or the  
16 county assessor later determines that an authorized business firm does not satisfy the requirements  
17 for an exemption on qualified property.

18 (11) Notwithstanding subsection (1) of this section, if an eligible business firm has begun or  
19 completed the construction, addition, modification or installation of property that meets the quali-  
20 fications of ORS 285C.180, and the property has not yet been subject to property tax after having  
21 been placed in service, then, for purposes of ORS 285C.050 to 285C.250, the firm shall be authorized  
22 under this section if the firm files an application that is allowed under subsection (12) of this section  
23 and is otherwise authorized under this section.

24 (12) Late submission of an application under this section is allowed if:

25 (a) A rule permits late submissions of applications under this section; or

26 (b) The Department of Revenue waives filing deadline requirements under this section. The de-  
27 partment shall issue a letter to the eligible business firm and zone sponsor setting forth the waiver  
28 under this paragraph.

35 **SECTION 13.** ORS 285C.155 is amended to read:

36 285C.155. For purposes of ORS 285C.200 [(2)] (3):

37 (1) The sponsor of an enterprise zone, at the time authorization is sought by a business firm  
38 under ORS 285C.140, shall establish a minimum number of employees the firm must maintain in the  
39 enterprise zone throughout the exemption period.

40 (2) The sponsor, at the time authorization is sought by a business firm under ORS 285C.140, may  
41 establish other reasonable conditions with which the firm must comply in order for qualified prop-  
42 erty of the firm to be exempt under ORS 285C.175.

43 (3) Employment requirements and other conditions established by the sponsor under this section  
44 shall be set forth in a resolution adopted by the governing body of the sponsor at the time the

4 **SECTION 14.** ORS 285C.205 is amended to read:

5 285C.205. The requirements of ORS 285C.200 [(2)(b)(B)] **(3)(b)(B)** are met if the qualified business  
6 firm does all of the following:

7 (1) The firm demonstrates at least a 10 percent increase in productivity no later than 18 months  
8 following January 1 of the first assessment year for which an exemption under ORS 285C.175 is  
9 claimed. Unless further specified by the sponsor of the enterprise zone through the resolution  
10 adopted under ORS 285C.155:

11 (a) The increase must be in business operations of the firm that are using qualified property  
12 receiving the exemption;

13 (b) Productivity is measured by dividing physical units or quantity of output by the number of  
14 labor hours engaged in the operations that produced the physical units or quantity of output; and

15 (c) The base level of productivity shall be established over a minimum 12-month period preceding  
16 the date on which the qualified property is placed in service.

17 (2) The firm maintains or exceeds the 10 percent increase in productivity under subsection (1)  
18 of this section as an annual average rate for each subsequent assessment year during the remainder  
19 of the exemption period.

20 (3) On or before April 1 of each of the first three assessment years for which an exemption is  
21 claimed, the firm deposits into an account established by the sponsor an amount equal to 25 percent  
22 of the estimated tax savings arising from the exemption for that year. The sponsor may adopt addi-  
23 tional specifications or requirements applicable to this subsection in the resolution the sponsor  
24 adopts under ORS 285C.155. Consistent with this subsection and any additional specifications or  
25 requirements adopted by the sponsor:

26 (a) For up to 30 months following the relevant April 1 date for which a deposit is made, the firm  
27 may draw from the account amounts equal to any expense incurred for training or retraining em-  
28 ployees to promote or facilitate productivity increases under this section, except that the total  
29 amount withdrawn from the account for that deposit may not exceed \$3,500 per trained employee;

30 (b) Any amount attributable to the deposit that remains in the account after the 30-month period  
31 in which firm withdrawals may be made under paragraph (a) of this subsection shall be transferred  
32 to a special fund for use by local publicly funded job training providers; and

33 (c) No more than 18 months after the deposit, the estimated tax savings on which the deposit  
34 was based shall be reconciled with the actual tax savings arising from the exemption. The recon-  
35 ciliation shall be accomplished by the firm immediately making a further deposit into the account  
36 to cover any shortfall or by being reimbursed from the account for any surplus. A deposit or re-  
37 imbursement made pursuant to this paragraph does not affect withdrawals or transfers that occur  
38 as a result of paragraph (a) or (b) of this subsection.

39 **SECTION 15.** ORS 285C.210 is amended to read:

40 285C.210. (1) For purposes of ORS 285C.175, 285C.200 and 285C.240, except as provided in sub-  
41 section (3) of this section, operations of a business firm within the enterprise zone are substantially  
42 curtailed when:

43 (a) Pursuant to the initial claim of exemption and satisfaction of ORS 285C.200 (1)(c), the number  
44 of employees of the firm:

45 (A) Is reduced by more than 85 percent from the highest number of employees of the firm; or

1 (B) Has been reduced by more than 50 percent from the highest number of employees of the firm  
2 over two consecutive annual filing periods under ORS 285C.220 (1); or

3 (b) The annual average number of employees of the firm during the first assessment year for  
4 which the exemption under ORS 285C.175 is granted, or any subsequently allowed year of exemption,  
5 is reduced below the greater of:

6 (A) The annual average number of employees of the firm, averaged over the 12 months preceding  
7 the date of the application for authorization, plus one employee; or

8 (B) 110 percent of the annual average number of employees of the firm, averaged over the 12  
9 months preceding the date of the application for authorization.

10 (2) For the purposes of this section:

11 (a) Except as provided in paragraph (c)(A) of this subsection, the number of employees of the  
12 firm is the employment of the firm, as defined in ORS 285C.200 [(7)(b)] **(8)(b)**, on the earlier of the  
13 date a claim for exemption is filed under ORS 285C.220 or April 1 of the year in which the ex-  
14 emption is initially claimed under ORS 285C.175 and following each assessment year of the ex-  
15 emption, including after the last such assessment year.

16 (b) Except as provided in paragraph (c)(B) of this subsection, the annual average number of  
17 employees of the firm is the number of employees of the firm averaged over the course of each as-  
18 sessment year in which an exemption under ORS 285C.175 is allowed, using employment figures for  
19 no fewer than four equivalent periods during the year.

20 (c) For the first assessment year for which an authorized business firm that qualifies under ORS  
21 285C.200 [(5)] **(6)** claims an exemption under ORS 285C.175, substantial curtailment under subsection  
22 (1)(a)(A) or (b) of this section shall be determined by:

23 (A) Combining the number of employees of the firm and the number of employees at any appli-  
24 cable site of the firm outside the enterprise zone; and

25 (B) Combining the annual average number of employees of the firm with the annual average  
26 number of employees at any applicable site of the firm outside the enterprise zone.

27 (3) Operations of a business firm are not substantially curtailed under this section during a pe-  
28 riod of suspension as otherwise provided in ORS 285C.203.
