4 **Be It Enacted by the People of the State of Oregon:**

5 **SECTION 1. Section 2 of this 2026 Act is added to and made a part of ORS 659A.103 to**
6 **659A.145.**

7 **SECTION 2. The Bureau of Labor and Industries shall create guidance and informational**
8 **materials to assist employers in complying with the provisions of ORS 659A.112, 659A.118 and**
9 **659A.121 concerning reasonable accommodation and to assist employees in understanding the**
10 **rights and protections provided under those sections. The bureau shall make the materials**
11 **available to employers on the bureau's website.**

12 **SECTION 3. ORS 659A.112 is amended to read:**

13 659A.112. (1) It is an unlawful employment practice for any employer to refuse to hire, employ
14 or promote, to bar or discharge from employment or to discriminate in compensation or in terms,
15 conditions or privileges of employment on the basis of disability.

16 (2) An employer violates subsection (1) of this section if the employer does any of the following:

17 (a) The employer limits, segregates or classifies a job applicant or employee in a way that ad-
18 versely affects the opportunities or status of the applicant or employee because the applicant or
19 employee has a disability.

20 (b) The employer participates in a contractual or other arrangement or relationship that has the
21 effect of subjecting a qualified job applicant or employee with a disability to the discrimination

NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted.
New sections are in **boldfaced** type.

1 prohibited by ORS 659A.112 to 659A.139, including but not limited to participating in a relationship
2 with an employment or referral agency, a labor union, an organization providing fringe benefits to
3 an employee of the employer, or an organization providing training and apprenticeship programs.

4 (c) The employer utilizes standards, criteria or methods of administration that have the effect
5 of discrimination on the basis of disability, or that perpetuate the discrimination of others who are
6 subject to common administrative control.

7 (d) The employer excludes or otherwise denies equal jobs or benefits to a qualified individual
8 because the individual is known to have a relationship or association with an individual with a
9 disability.

10 (e) The employer does not make reasonable accommodation to the known physical or mental
11 limitations of a qualified individual with a disability who is a job applicant or employee, unless the
12 employer can demonstrate that the accommodation would impose an undue hardship on the opera-
13 tion of the business of the employer.

14 (f) The employer denies employment opportunities to a job applicant or employee who is a
15 qualified individual with a disability, if the denial is based on the need of the employer to make
16 reasonable accommodation to the physical or mental impairments of the employee or applicant.

17 (g) The employer uses qualification standards, employment tests or other selection criteria, in-
18 cluding those based on an individual's uncorrected vision or unaided hearing, that screen out or
19 tend to screen out an individual with a disability or a class of individuals with disabilities unless
20 the standard, test or other selection criterion, as used by the employer, is shown to be job-related
21 for the position in question and is consistent with business necessity.

22 (h) The employer fails to select and administer tests relating to employment in the most effective
23 manner to ensure that when the test is administered to a job applicant or employee who has a dis-
24 ability that impairs sensory, manual or speaking skills, the test results accurately reflect the skills,
25 aptitude or other characteristics of the applicant or employee that the test purports to measure,
26 rather than reflecting the impaired sensory, manual or speaking skills of the employee or applicant.
27 The provisions of this paragraph do not limit the ability of an employer to select or administer tests
28 designed to measure sensory, manual or speaking skills of an employee or job applicant.

29 **(i) The employer uses minimum physical requirements set forth in a job posting without
30 connecting the physical requirements to the essential functions of the job.**

42 **(3)(a) An employer may not deny an employee's request to have a support person ac-
43 company the employee in any discussion over matters concerning reasonable accommo-
44 dation, provided that the support person:**

45 **(A) Does not disrupt or inhibit the discussion; and**

1 **(B) Agrees in advance to comply with the confidentiality requirements related to the**
2 **employee's personal health information as described in paragraph (b) of this subsection, in-**
3 **cluding by written acknowledgment if required by the employer.**

4 **(b) An employer may require a support person to sign a written acknowledgment agree-**
5 **ing to keep confidential any of the employee's personal health information that is revealed**
6 **during the course of the discussion, unless the employee consents to disclosure.**
