(b) The department provides at least 10 days' notice to the court and the parties of the proposed placement or, if the delay caused by providing this notice would likely result in serious physical or emotional harm to the child, endanger the child's life or cause loss of placement availability, the department shall provide the notice to the court and the parties as soon as practicable and in no event later than one business day after the child leaves this state.

(2) ORS 418.321 does not apply to the department's placement of a child in an out-of-state child-caring agency if:

(h) The director of the division of the department that administers the state child welfare program authorizes the department's request for the child to be considered for admission to the out-of-state eating disorder program.

(2) When a child has been admitted for treatment to an out-of-state eating disorder treatment program under this section:
