19 **“(b) ‘Tax’ does not include ad valorem property taxes collected by coun-**
20 **ties.**

21 **“SECTION 2. ORS 305.385 is amended to read:**

1 “305.385. (1) Upon request of the Department of Revenue, an agency is-
2 suing or renewing a license to conduct a business, trade or profession shall
3 annually, on or before March 1, supply the department with a list of specified
4 licenses issued or renewed by the agency during the preceding calendar year.

5 “(2) Upon request of the department, an agency shall annually, on or be-
6 fore March 1, supply the department with a list of specified persons con-
7 tracting with the agency to provide goods, services or real estate space to
8 the agency during the preceding calendar year.

9 “(3) The lists required by subsections (1) and (2) of this section shall
10 contain the name, address, Social Security or federal employer identification
11 number of each licensee or provider or such other information as the de-
12 partment may by rule require.

13 “(4)(a) If the department determines that any licensee or provider has
14 neglected or refused to file any return or to pay any tax and that such person
15 has not filed in good faith a petition before the department contesting the
16 tax, and the department has been unable to obtain payment of the tax
17 through other methods of collection, the Director of the Department of Rev-
18 enue may, notwithstanding ORS 118.525, 314.835 or 314.840 or any similar
19 provision of law, notify the agency and the person in writing.

20 “(b) Upon receipt of such notice, the agency shall refuse to reissue, renew
21 or extend any license, contract or agreement until the agency receives a
22 certificate issued by the department that the person is in good standing with
23 respect to any returns due and taxes payable to the department as of the date
24 of the certificate.

25 “(c) Upon the written request of the director and after a hearing and
26 notice to the licensee as required under any applicable provision of law, the
27 agency shall suspend the person’s license if the agency finds that the returns
28 and taxes have not been filed or paid and that the licensee has not filed in
29 good faith a petition before the department contesting the tax and the de-
30 partment has been unable to obtain payment of the tax through other meth-

ods of collection. For the purpose of the agency's findings, the written representation to that effect by the department to the agency shall constitute prima facie evidence of the person's failure to file returns or pay the tax. The department shall have the right to intervene in any license suspension proceeding.

"(d) Any license suspended under this subsection [*shall*] **may** not be re-issued or renewed until the agency receives a certificate issued by the department that the licensee is in good standing with respect to any returns due and taxes payable to the department as of the date of the certificate.

"(5) The department may enter into an installment payment agreement with a licensee or provider with respect to any unpaid tax, penalty and interest. The agreement shall provide for interest on the outstanding amount at the rate prescribed by ORS 305.220. The department may issue a provisional certificate of good standing pursuant to subsection (4)(b) and (d) of this section which shall remain in effect so long as the licensee or provider fully complies with the terms of the installment agreement. Failure by the licensee or provider to fully comply with the terms of the installment agreement shall render the agreement and the provisional certificate of good standing null and void, unless the department determines that the failure was due to reasonable cause. If the department determines that the failure was not due to reasonable cause, the total amount of the tax, penalty and interest shall be immediately due and payable, and the department shall notify any affected agency that the licensee or provider is not in good standing. The agency shall then take appropriate action under subsection (4)(b) and (d) of this section.

"[(6) No contract or other agreement for the purpose of providing goods, services or real estate space to any agency shall be entered into, renewed or extended with any person, unless the person certifies in writing, under penalty of perjury, that the person is, to the best of the person's knowledge, not in violation of any tax laws described in ORS 305.380 (4).]

1 “(6) A contract or other agreement for the purpose of providing
2 goods, services or real estate space to any agency, other than a poli-
3 tical subdivision of this state, may not be entered into, renewed or
4 extended with any provider or owner, unless at the time of contracting
5 with an agency:

6 “(a) The provider and owner certify in writing, under penalty of
7 perjury, that to the best of the person’s knowledge the provider or
8 owner is not in violation of any tax laws described in ORS 305.380; and

9 “(b) The provider and each owner submit certificates issued by the
10 department stating that, as of the date of the certificate, the provider
11 or owner is not in violation of any tax laws described in ORS 305.380.

12 “(7) The [*certification*] **certificate** under subsection (6) of this section
13 shall be required for each contract, [*and*] renewal or extension of a contract
14 [*or may be provided on an annual basis*] **and increase in contract value**
15 **and must be dated no earlier than six months prior to the date that**
16 **the provider contracts with the agency.** A [*certification shall not be*]
17 **certificate is not** required for a contract if the consideration for the goods,
18 services or real estate space provided under the contract is no more than
19 [*\$1,000*] **\$250,000.**

20 “(8) A contract may not be executed if a certificate as described in
21 subsection (6) of this section is not provided to the agency.

22 “(9) Upon request of a provider, if the provider and each owner are
23 not in violation of any tax laws described in ORS 305.380, the depart-
24 ment shall, within 14 days after the request, issue to the provider and
25 each owner a certificate as described in subsection (6) of this section.

26 “[(8)(a)] (10)(a) The requirements of the [*certification*] **certificate** under
