

Submitter:

Kyle Huth

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4134

Oregon's nature and wildlife are some of our greatest treasures. Some of my favorite memories growing up are exploring tide pools on the Oregon coast, or a rare owl siting on a hike in our forests. Wildlife also brings a lot of out of state tourism to our state. Unfortunately we are missing dedicated funding for conservation for threatened species, and its time to fix that with a small increase to the lodging tax that will still leave Oregon at the third lowest lodging tax rate in the nation. Please vote yes on HB4134.
