

Submitter: Hillary Barrows

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB4138

My name is Hillary Barrows and I am a resident of Portland, Oregon. I am writing to strongly support HB 4138 and urge the committee to pass legislation prohibiting ICE agents from covering their faces while conducting enforcement operations.

Law enforcement should not be operating behind masks in our communities. Democracy requires transparency, and law enforcement legitimacy depends on being identifiable. I urge you to support HB 4138 to ensure that all agents operating in Oregon are clearly identifiable, accountable to the law, and that our communities feel safe and secure.

Respectfully,  
Hillary Barrows
