

Submitter:

Elizabeth Rains

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4138

I urge Oregon representatives to support HB 4138. People need to feel safe. We need to be able to tell who law enforcement officers and agents are, and the entities they work for. To be able to tell legitimate officers and agents from imposters. To be able to trust them. And officers and agents should be recognized for a job well done and need to be held accountable for their actions. Thank you.
