Measure, Appointment or Topic: HB4138

Members of the Committee,

As a US citizen who has closely watched innocent citizens and immigrants be pulled from their homes and cars and families, kidnapped, assaulted terrorized and murdered, I support the very least is that these ICE gangs have policies requiring them to be identified. They should be clearly displayed on all law enforcement uniforms. They need to be able to be found and held liable when they break the law.

Thank you for allowing me to submit this testimony.

Sincerely,

Emily Havel
