"Hello State Treasurer Steiner,

I'm urging you to support HB4075 and other bills that are part of the Bay Area Hospital's Restabilization Plan this session. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means the loss of 97 full-time jobs and \$9.1 million in local wages.

Please support local healthcare access and act to save the Bay Area Hospital!

With regards,"
