To Whom it May Concern,

Please allow our recreation centers to provide waivers that if we sign as residents, releases them. This is obvious and done almost everywhere in the USA. When we ski or jump on trampolines or play sport we know we can get hurt. Waivers allow for us to play at our own risk and to keep costs reasonable. Currently the Democrats are not allowing this to be voted on to protect large trial lawyer donors. Yes we see you. These lawyers are enriching themselves at the cost of ordinary Oregonians and Oregonian businesses. The Dems are ok with it because of the donations they receive from these morally questionable lawyers. Please do the right thing.

Please note, I used to be a Dem but left the party because of things like this. I am now independent and vote based on who is the least corrupt and most likely to be fact and data driven supporting Oregonians interests. Sometimes I can't choose any candidate as a result. Do better.
