Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4113

Chair Marsh, Vice-Chairs Breese Iverson and Andersen, and Committee members:

I am not normally "foul mouthed," but this bill is a "hell no!" I am asking you to absolutely oppose HB 4113.

As a longtime, and senior, Oregonian, I continue to value the land use principles that help keep our state healthy environmentally and economically. Upholding our land use system is key to both. This egregious bill would benefit one private stakeholder at the expense of our land use system, which is in no way acceptable to me nor should it be to you.

With so many other important priorities in front of you, especially in a short session, I very much hope you will quickly reject HB 4113.

Sincerely,
