

Submitter: Lena Crandell

On Behalf Of:

Committee: Senate Committee On Commerce and General
Government

Measure, Appointment or SB1593
Topic:

I can't imagine a life in which there are no ski resorts in Oregon, which is what will happen if SB-1593 does not pass. Timberline and Mt Hood Meadows will be forced to close. As an outdoors enthusiast and snowboarder like so many other Oregonians I strongly support SB-1593.
