Committee: Senate Committee On Judiciary  
Measure, Appointment or Topic: SB1587

Dear Committee,

You are considering bill SB1587, I am writing to tell you that this is critical for the future of Oregon citizens legal or otherwise to be protected from misuse of their online information. With the prevalence of digital information available on the internet, much of it unwittingly provided to data brokers. We need to have some common sense guidelines on how this information is used, who is using it and the scope of information allowed.

Thankyou for your consideration.
