

Submitter:

Molly McKinley

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

Hello,

I strongly oppose this measure. I believe medical procedures should be a persons choice and not controlled by any part of government. I also do not believe my tax dollars should be used to support mandated vaccines or other procedures. The foundation of medicine in our country has been based on informed consent. It needs to stay that way.
