

Submitter:	K Mc
On Behalf Of:	outdoor enthusiast
Committee:	Senate Committee On Commerce and General Government
Measure, Appointment or Topic:	SB1593

Bring sanity to liability in all of the outdoor sporting activities not just skiing/boardng. This state needs to align with others in the region. Life has risks. We need to make liability sane, gross negligence is one thing but a day on the slopes should not cost your life savings mostly because insurance companies are profiting, or lawyers are winning unreasonable sums for what was a known risk. It is long past time to fix this issue.
