Measure, Appointment or SB1593
Topic:

To Chair Meek, Vice-Chair Drazan, and members of the committee,

I hope that you will do the right thing to support Oregon recreation and to pass SB 1593. As a long-time Oregonian, I treasure the rich experiences that are available to me in our outdoors, whether it be skiing during the winters or enjoying our trails and rivers during the summer. Recreation in our state supports businesses that have faced increasingly high insurance costs because we do not allow participants the choice to assume responsibility for their actions through an elective waiver. Please bring us into alignment with other western states in this regard by passing SB 1593.

Sincerely,

David Graves
