

Submitter: Liz Kee  
On Behalf Of:  
Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water  
Measure, Appointment or HB4153  
Topic:

This measure has the potential to block small acreages from putting up a stand to sell excess production. If the thought is that you need to protect us from unregulated production then just stop. Not every dollar needs to be taxed and I don't want or need your protection from buying a jar of honey or pack of eggs from my neighbor. It's just unfair and unnecessary.
