

Submitter: Will Vellinga  
On Behalf Of:  
Committee: House Committee On Transportation  
Measure, Appointment or Topic: HB4085

Hi!

We are people, not criminals. Innocent until proven guilty and not the other way around. We do not deserve constant surveillance nor deceptive surveillance. It should not be allowed to watch people all the time. This isn't 1984 and we don't want it to be.
