Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4113

Dear Chair Marsh, Vice-Chairs Breese, Iverson, and Andersen, and Committee members:

I am writing today to request that you oppose HB 4113.

As an Oregonian, I value the land use principles that help keep our state healthy, environmentally, and economically. Upholding our land use system is key to both.

This bill would benefit one private stakeholder at the expense of our land use system, with the potential demise of wildlife, natural enjoyment of the land by all people, and potential significant environmental issues. With so many other important priorities in front of you, please, quickly reject HB 4113.

Sincerely,  
Janice Castelbaum
