To: Cliff Marsh, Breese Iverson and Andersen, committee members

This message is being sent to you in opposition of HB 4113.

As a long-term resident of Oregon, I've been impressed by its land-use laws and principals, and it surprises me that passage of HB 4113 is being considered. It benefits one private stakeholder at the expense of Oregon's land-use system and sets a dangerous precedent. Please reject HB 4113.

Sincerely,
Jill Dewey
