Dear Chair Meek, Vice-Chair Drazan and members of the Committee,

My name is Becca Pulcrano and I am a guide, rancher and recreationalist in Wallowa County. I guide for a small rafting company on multi day expeditions and strongly support ORCA SB1593. Measures making access and affordability to the outdoors are much needed, particularly when it comes to liability for small companies. It seems clear that Oregon should join every other Western state in enforcing these changes.

Thank you for your time,

Becca Pulcrano
