Committee: House Committee On Housing and Homelessness  
Measure, Appointment or Topic: HB4113

I am opposed to HB 4113.

Seems like one entity will benefit from this, while the rest of us see no benefit, except more sprawl on land not designated for it. UGB were put in place for a reason. To keep our forests and agricultural lands intact.

Please reject this proposal for the sake of all Oregonians now and for future generations.

Sincerely,  
Jim Reiss
