Committee:

House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure, Appointment or

HB4153

Topic:

Our neighborhood was ruined by one of these so called farm stores.

Our narrow country road was turned into a dangerous major traffic road.

The amount of traffic and noise from the events ruined our entire neighborhood.

A vineyard the end of the road was hosting weddings, corporate off site meetings and other major events.

We went to court four times and were able to stop this.

A traffic engineer estimates that the Average Daily Trip (ADT) for the site ranged on weekdays from 140 to 205 trips per day and the peak ADT

will be 258 on the weekends

This measure needs to be stopped or many neighborhood in Oregon will be ruined.
