SJR203

I am a strong supporter of SJR 203 Oregon constitutional amendment "No Secret Police". It's horrifying watching masked, unidentified federal agents terrifying residents of Oregon and the country, swarming individuals on the street, pulling people out of cars, smashing doors and hauling adults and children out of their homes to threaten, beat and even kill. This lawless paramilitary policing is unacceptable in a democracy. Oregonians should have the opportunity to express their opposition to this authoritarian "secret police" and express their support for public safety and high standards for all law enforcement operating in Oregon. I urge you to pass SJR 203. Thank you for your hard work in representing all Oregonians.
