Committee:

House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or  
Topic: HB4153

I am strongly opposed to hB 4153. Wineries, farm stands, agritourism events, and other commercial and recreational activities are already allowed on EFU land. The difference is that our existing laws require agriculture to remain the predominant use of the land—but this new bill opens the door to sacrificing our world-class farmland to multi-use retail, hospitality, and entertainment development.
